Leave the kids with a sitter; this chill party is 21 and up.

A Pictorial History of Jazz People and Places from New Orleans to Modern Jazz by Keepnews Orrin Grauer Bill

The Original Creole Orchestra, featuring Freddie Keppard, was an important early group that left New Orleans, moving to Los Angeles in 1912 and then touring the Orpheum Theater circuit, with gigs in Chicago and New York. The relationship between jazz bands and brass bands is one of co-influence.

A pictorial history of jazz : people and places from New Orleans to modern jazz

. The 1870s represented the culmination of a century of music making in the Crescent City. Some of the earliest bands originated from the neighborhood, and the city gave birth to such bands as the , and brass bands.

Jazz Origins in New Orleans

Most of the collective is from New Orleans or surrounding areas. Many New Orleans musicians and others were still actively playing traditional jazz. In addition, New Orleans was home to the largest population of free people of color during the slavery era.

Keepnews, Orrin [WorldCat Identities]

Perhaps the most significant departure from New Orleans was in 1922 when Louis Armstrong was summoned to Chicago by King Oliver, his mentor. But earthier vernacular dance styles were also increasing in popularity in New Orleans.

History of Jazz

The Devil's Music features another jazz great of the century, composer and bandleader Duke Ellington, who created a sensation when he toured England in 1933. Label A pictorial history of jazz; : people and places from New Orleans to modern jazz. It was a new thing then.

A pictorial history of jazz; : people and places from New Orleans to modern jazz.

The Devil's Music takes viewers back to 1917, when the US Navy, fearing for the health and safety of sailors who frequented the jazz clubs, shut them down. Even so, for those who wanted to make it to the top of the entertainment industry, all roads led out of town. Mardi Gras Indian music was part of the environment of early jazz.
