## Lesson Plan

In what ways does it guide our thoughts? I would be most appreciative of the opportunity to adapt this for my unit. Read the entire column with your class, using the questions below.

## Metaphor Examples for Students That'll Help Them Get Good Grades

Why, then, do so many students struggle to move beyond the most cursory understanding of these particular aspects of language? Were they surprised by the number of metaphors in the newspaper? You put something in and it comes out better than it was before. How do I relate it to metaphor? After sharing results as a group, discuss what our use of metaphor does to our thinking.

## Exploring metaphors in the classroom

When they return to the classroom, have them choose one image or list item and fully develop it as a metaphor. Uses the general skills and strategies of the writing process.

## Teaching through Metaphor and Analogy

I can either quote your post or link back to your resources. Assign different groups to different sections of the paper, like opinion, sports, science, arts and style, in addition to the main news coverage.

## Metaphor Examples for Students That'll Help Them Get Good Grades

I then return to the game later in the year when we are studying figurative language in some manner.

## Exploring metaphors in the classroom

For the verbal metaphors, students were asked to consider how the concept was like x and not like x. Understands ways in which the human experience is transmitted and reflected in the arts and communication.

### **Lesson Plan**

These nouns could be common nouns, proper nouns or even abstract nouns.
