## Polish Recipes

But since now both my parents have passed away, I have been lucky to find a local company that makes and sells a very similar product! Serve plain, or with butter, sour cream, bacon, etc. Recipes include Bubble and Squeak as well as Steak and Kidney Pie.

Polish Your Kitchen, A Book of Memories Christmas Edition contains 30 traditional Polish recipes normally served during Christmas Eve and Christmas Day in Poland. I would still like to have a normal copy not the botched edition I received.

## Polish Recipes

I double or triple the recipe and bake them in a electric roasting pan. It takes quite a lot of time to have it and is rather costly, as we need a lot of meat, but totally worth it: I also freeze few portions to enjoy baked pate later on, as having too much on one time make you not appreciate it as much as you could: When you choose meat — consider that you need rather fat parts of meat, otherwise pate would be dry.

I follow the authors blog so I was super excited to purchase this!! Everything about this book is a treasure, it is very personal to me as well. The author, Anna Hurning created the original recipes and the accompanying photography for the book.

## CookINPolish

My grandfather is Polish, and his mother taught my grandmother how to make these delicious perogies. . Decorating eggs is also a great time spend with children and family, time to recollect family tradition and just be together.

Another important thing is to choose high quality vegetables, I go to local market where farmers are selling their produce. The recipes can be made

all year, not just Christmas.

## **CookINPolish**

I wanted to support Anna so I bought the book.

We are definitely having them once we are on holidays, but first I made them myself. Page 36 - Pierogi recipe is well marked from much use! I very much appreciate access to the knowledge and the personal touch she has added to this cookbook. From appetizers to desserts, this comprehensive little volume includes recipes for such favorites as Herring with Sour Cream, Veal Soup with Rice, Beetroot and Horseradish Salad, Partridges and Red Cabbage, Pierogi, Roast Duck with Apple and Caraway Seeds, Pears in Caramel, and Krupnik a smooth honey vodka flavored.
