## French pharma & chemical manufacturing: free security guide

The chemical industry has a world-wide initiative entitled Responsible Care. However, rejoining the -led military structure will not affect France's nuclear independence.

## Equistone Sells French Chemical Business to Silverfleet

Reaction Kinetics, Mechanisms and Catalysis. The upstream chemistry processes are often continuous and some of our factories are not designed to go no-go. We are beginning to observe difficulties linked to the absence of staff, subcontractors and suppliers.

## Loop™ Industries

To the best of our knowledge, such an analysis has not been done for the French chemical industry sector, which is the second producer in Europe. The tank farm stores imported reactants and products prior to export. Auvergne-Rhône-Alpes chemical industry accounts for 17.

## France

The capital cost of such a plant is likely to be millions of dollars.
