## Casó

We did notice something unexpected during this testing, though.

## Casó

En otro caso, Bárbara exige que Rafael y Ambert paguen por robarle los clientes de su negocio. The case—control study design is often used in the study of rare diseases or as a preliminary study where little is known about the association between the risk factor and disease of interest.

## The Bourne Identity (2002)

The newspaper followed it up the next day with an analysis speaking to several experts on the psychology of why people would choose not to get involved.

## Lucchese Boss Anthony Caso Dead At 78

The case—control study is frequently contrasted with , wherein exposed and unexposed subjects are observed until they develop an outcome of interest. They showed a statistically significant association in a large case—control study. En este caso pudimos darnos cuenta que las personas tiene diferente manera de asumir sus responsabilidades y prepararse para enfrentar problemas posibles en su área de trabajo.
