Sources of the laws are cited and explained.

**eBook The Family Sefer Hachinuch: A Contemporary Translation and Adaptation download**

Sefer Ha-Chinuch was first published in Venice in 1523.

**The Schottenstein Edition Sefer Hachinuch / Book of Mitzvos**

Additional shipping upgrade options available. Chinuch gives expression to the essence of the mitzvos in a manner that speaks to the heart of the Jew. Following this, the Chinuch presents a brief overview of the practical Jewish law governing its observance - usually based on Maimonides' - and closes with a summary as to the commandment's applicability.

**Sefer Hachinuch**

This convenient guide briefly discusses each mitzvah, both positive and negative, as it appears in the sequence of the weekly parsha; provides the source for each mitzvah along with a concise explanation, and concludes with key lessons to be derived from that mitzvah. Even though we feel they have not been good parents, we owe them a huge debt of gratitude for them giving us the chance to experience life. It was published anonymously in 13th-century Spain.
