### Homing Pigeon

There, texts were in small typographic type, typeset like a newspaper, and then photographed with a large reduction. Another small-scale industry was digging, while dairy farming and sheep farming have tended to play a small role compared to the usual New Zealand practice.

### The history of Pigeons' post (pioneers of airmail)

There is a clear difference in height 21 mm-128; 22 mm - 118,81 , and that is where one can tell that Scott 128 is indeed a reduced size. Fantasy issues created by artist Donald Evans, Netherlands. My posting skills are a work in progress, over 10 years since i have posted elsewhere.

### National Stamp Collecting Month: Mail by Pigeons

Notice the post mark on these is from the Okupu Post office on Great Barrier Island.

### Dr. Arthur Woo's classic birds

Five cents 1980 - 2000.
