Norbert Cymbalista

Its historic origins probably date back to 516 E. But I was so busy then, putting the pieces of the puzzle together, that I had no time to look for psychological explanations.

Cymbalista synagogue and Jewish cultural centre Mario Botta

In 1998, a new venture was undertaken in the academic milieu of Tel Aviv University, the Cymbalista Jewish Heritage Center.

The Cymbalista Synagogue

The building is an architectural gem, a masterpiece designed by the internationally-renowned Swiss architect, Mario Botta. And the Museum houses temporary exhibitions of the best Judaica collections from around the world and from Tel Aviv University itself. I should have asked myself this question in 1996, when I started this adventure.

As such, the embrasures in the round towers are not meant to let light in, but to let it shine out, at night - The Guardian of Israel does not slumber nor sleep Isaiah 5:27.

About

It started with the choice of the location. Two years after the inauguration, I still try to understand the motives. Softcover, inscribed and signed by the donors, Norbert and Paulette Cymbalista.

Stunning Jewish synagogues in Israel to visit in the Holy Land

Designed by architect Yitzhak Toledano, and named for Yehuda Leon Recanati, it was modeled to resemble the seashells on the shores of the Greek city of Thessaloniki, hometown to the Recanati family. All structured data from the file and property namespaces is available under the ; all unstructured text is available under the ; additional terms may apply.
