## Sermons about Urgency

He roams about everywhere trying to do harm.

## Today Is Christ the King Sunday, Not Secular Creep Sunday.

Does the soul find itself in light or darkness? I wonder if students are required to affirm this view in order to graduate? If you would but pay a little more attention to what I say. You must also accustom yourself to make frequent spiritual communions. It may even be to many of our readers a preparation for a happy death.

## Library : An Unpublished Manuscript on Purgatory

If we expect our spiritual life to grow and flourish, we must water it and give it sunshine, and we must never take it for granted.

## James Talbot, or, The importance of recollecting God sees me at all times (6398109)

Thirsty for more blessings or more knowledge. O ye descendants of the men who were hounded amid the Highlands of Scotland, and who fell at Bothwell Bridge; O ye sons and daughters of the men who came across wintry seas to build their log churches in the American wilderness; O ye sons and daughters of those who stood in the awful siege of Leyden, and shouted the martyrs' triumph in the horrors of the Brussels marketplace; O ye descendants of the men whose garments were dyed in the wine press of Saint Bartholomew Massacre; ye sons and daughters of the fire, what do you think today of a quiet Church, and a free pulpit, and a Gospel winged with mercy and salvation? But more than that, the consequences of sin are themselves a means of revelation; they reveal the true meaning of separation and enable us to see through the very self-deception that makes evil choices possible in the first place. If we adopt as our possible solution to Talbot's dilemma the view that Christ's immediate presence drives from consciousness the knowledge of the condition of the lost, then all the conditions of salvation specified in D3 are fulfilled.

## 2 Keys to Understanding the Heart of God

Souls communicate with each other when God permits it, and after the manner of souls, but without words. Amidst all these supernatural events, you must be so natural that no one will notice that anything is happening. The God of Christianity has a triune nature, and His character is reflected in His creation.
