But I followed her: I could not bring myself to let her go out of reach of me while I felt that in a few minutes I should have to leave her in the dining-room and go up to my bed without the consoling thought, as on ordinary evenings, that she would come up, later, to kiss me. Afterwards, at dinner, he watches Norpois, who is extremely diplomatic and correct at all times, expound on society and art. After two awkward days and a restless night, he resolves to end the affair, but in the morning Françoise informs him: Albertine has asked for her boxes and left.

Caravana de recuerdos: Swann's Way

His inability to physically experience the people and places that memory, through the senses, conjured in his mind produced a paralytic disquietude.

In Search of Lost Time

He discovers how appearances conceal the true nature of things and tries writing a description of some nearby steeples. Although Proust sketched this character partly as a sly libel on himself, as a church artist, relishing the chance to play the sinner, renders himself as one of the devils in his portrayal of hell, he was not above taking advantage of his illness, telling friends, for instance, that his eyes were too weak to read their books.

Swann's Way

And that was because on the evenings when there were visitors, or just M. But Bloch had displeased my family for other reasons. Possession
