## Sermon on Power in Prayer | What Can Prayer Truly Do?

Prayer is the natural outcry from the heart of a human being to his Maker in response to the tug of the Word of God, implanted within the conscience. Jacob undoubtedly wanted to be reunited with his family. He that believeth on Him is not condemned: buot he that believeth not is condemned already.

### Sermon on Power in Prayer

Alistair Begg shows us that instead, affliction should give way to prayer, and happiness should prompt God-centered praise. Preserve them from every danger to which they may be exposed: from perils by land and sea, from persecution and pestilence, from discouragement in their labors, and from the devices of the adversary.

### Sermons on Prayer

One of the things that was in that act was that the very act of reaching out and touching the man was an indication that it was going to be done because the very law that He gave to the Israelites back in the Old Testament forbid a person from touching a leper.

### Prayer and Praise

Please feed the children, please clean the house and may all go well with you. James was well acquainted with it.
