## Landmark Trans

Mexico is not the only central American country at risk. President Obama has to wait 90 days before signing the pact, and only then will Congress begin to debate it. If these soft approaches fail then there is recourse to an independent arbitration panel.

## Regional and national consequences of globalizing industries of the Pacific Rim

As a result, a number of structurally and functionally active novel nutraceuticals and several new functional beverages have been introduced into the marketplace around the world.

## How can we harmonise international investment law?

This can be a substantial threat, particularly from economies where labor laws are lax and workers are exploited to create extremely low cost goods. This rot at the core of things has crippled the whole economy. Australian wine entering Japan is taxed at 5.

## TDM Call for Papers Pacific Rim and International Economic Law: Opportunities and Risks of the Pacific

Johnson, MITI and the Japanese Miracle, p. It requires partnerships and multilateral agreements, particularly in the Asia-Pacific region.
