Orrustan um Stalingrad

Armee früher kapitulierte, wären auch die operierenden Einheiten abgeschnitten gewesen. The Soviet 76th Rifle Division and 27th Guards Rifle Division were not making any progress breaking the Romanian lines. The division remained in France until February, 1943, when their old commander, Theodor Eicke, resumed control.

Stalingrad

At the end of the battle, British and French forces had penetrated 6 mi 10 km into German-occupied territory along the majority of the front, their largest territorial gain since the in 1914.

Batalha de Stalingrado

Once airborne, the 474th flew nine separate missions against the enemy. After German intentions became clear in July 1942, Stalin appointed as commander of the Southeastern Front on 1 August 1942. Frühere koloniale Politik nicht Gewinn von Siedlungsgebieten, sondern allein Teil Wirtschaftspolitik.

Doch gar nicht ehemals die vom Chef Ein Luftwaffe Hermann Göring großtuerisch angekündigte ausreichende Bereitstellung nicht mehr da einer Platz konnte geborgen werden.

In spite of the failure of the German offensive to reach the 6th Army, the air supply operation continued under ever more difficult circumstances. Após serem derrotados, o teve que retirar e relocalar várias tropas estacionadas na para o leste, a fim de substituir suas perdas.

Junkers Ju 87

After a few weeks of such a diet he'd grown so emaciated that Hitler, annoyed, personally ordered him to start eating regular meals again.
