Book Details

. Acceptable: This book has been well-loved by somebody else.

Book Details

Very Good: This book has also been used before, but a bit more delicately. It will show wear, have markings in the text, and, perhaps a bit of moisture damage to the pages.

Book Details

Clean, crisp and beautiful for reading and display. It will show minor wear, but will be sturdy and strong.

Book Details

New: If this book isn't new, you'd never know it. Never read before and hardly ever opened. It might also have writing on the pages, but it will be very limited.
