Cornish Characters, by S. Baring

Voltaire, essai sur les mœurs, chap. At breakfast, Monday morning, Aunt Polly and Mary were very loving to Tom, and very attentive to his wants. In 1770 Romanzoff defeated an army of Tartars commanded by the than, near the Pruth, and an army of Turks commanded by the vizir, near the Danube.

THE PRESENT STATE OF TURKEY

However, we must all give glad and grateful welcome to a new edition of a noble poet who has never yet received his full meed of praise and

justice : though our gratitude and our gladness may be quickened and dilated by the proverbial sense of further favours to come. The happiest man in all the earth is he that wins his daily bread by his daily sweat, if he will but fear God and do man no wrong. From their earliest connexion she had determined to govern the King, and deserved to do so; for her submission to his will was unbounded, her sense much superior, and his honour and interest always took place of her own: so that her love of power that was predominant, was dearly bought, and rarely ill employed.

The Works of John Adams, Vol. 2

John Lytelton, a Prebendary, coming on June 22, 1549, into the Chapter House with his caution money in his hand and though there was no house vacant begging to be admitted at once to residence. Being led by this conjecture to examine the other works of Walpole, I found, in them also, many echoes, as it were, of the voice of Junius, which it is singular should not have been more observed. Resolved, that Unton Croke, Esq.

Heylin, in an anonymous publication, acknowledged among his works, thus remarks on this hasty dissolution, the time and manner of which were so well calculated to sharpen the spirits of the popular party, and to bring a powerful democratic influence into the Long Parliament. As to the fact of the death of Lord Essex being known at Frome on the 13th, showing that the murder had been premeditated and was part of a widely ramified scheme of the Papists, it was shown that nothing was known there of it till many days later. In the early part of his life he was remarkable for his love of reading and a degree of reserve even exceeding what is observable in persons of studious habits.
