History of Australian Education

There was a sudden revival of interest in Aboriginal languages. There is a similar presentation for.

New scrutiny on donor influence in Australian higher education

Just because it's hard, doesn't mean we shouldn't try. In contrast, the rise of postmodernism since the 1960s and its capture of some parts of the political Left has found a parallel in the progressive argument against a knowledge-rich curriculum. When by its first performance on the 2000 PISA assessment, it started a national conversation that saw education on the front page of newspapers for the next two years.

The Tragedy of Australian Education

Both Pre-1900 and Post-1900 Records. Illustration: Simon Letch Credit: Co-operation has improved recently; there are now national teaching standards, and a national curriculum although NSW and Victoria kept their own.
