## Confidential (magazine)

The driver told Harrison that the publisher of Confidential just killed himself and his wife, momentarily confusing the unmarried Harrison.

## The fifty

Today, the only Confidential-inspired supermarket tabloids that remain are , Globe, , , and. Using the facilities of Quigley Publishing surreptitiously at night, Harrison used publicity photos collected from a visit to the company's Hollywood offices to paste together his galleries. Sarris was not the first critic to devalue Selznick's role.

## Quote of the day: Wonder Kid?

Which is sensational AND unlikely as hell, therefore ideally suiting it to Kenneth Anger, but I think he inexplicably opted for the gangster version.

## There is a new book by Ezra Goodman, The Fifty

In some cases, the film title's mere initials, GWTW served for effective exploitation. Winchell returned the favor by mentioning Confidential in his newspaper column and television and radio broadcasts.
