When that complete convergence occurs, the Kingdom of God will have reached its full perfection on earth. Audio Download Link for Talk 40 min : Download: or stream: Even in this century, men are still living as chance circumstances decide for them, with no aim but their daily bread or a quiet old age.

Friday Reflection: Teilhard de Chardin, The Mystic

From this we can conclude that man's belief in a better future is older than any civilization, that it is the driving force of the history from which we rise.

A Cosmic Spirituality for a New Theology; Teilhard de Chardin's Evolutionary Journey to Omega Christ by Aidan Hart

Once and for all he understood that, like the atom, man has no value save for that part of himself which passes into the universe.

DIMENSIONS OF THE FUTURE: The Spirituality of Teilhard de Chardin.

These individual personal and universal community aspects of evolving creation and human consciousness will eventually converge into the Omega point of all evolution, into Christ Himself.

Politics, Teilhard, and the world's future

Our struggle to do the right thing is not because of an inbuilt moral weakness i. Jesus the Christ is at the centre and apex of the evolving universe. A wave of triumph freed his soul.

Kessler Marvin and Bernard Brown

It is deeply embedded in the material world he studied so carefully and in the God He served so faithfully. It is Love that holds the community together. In regards to the poetry, to assist you or anyone else who reads the article I will give some further information but before I do so I would add that in an increasingly broken world how can these words of renewal be absorbed within our hearts, in the present moment, especially in the West where many hearts have become stale and cynical in regards to the Christian message.

Kessler Marvin and Bernard Brown

In a reciprocal awakening of their opposed powers, he stirred up his utmost strength to achieve the mastery over it, while it revealed all its treasures in order to surrender them to him.

Politics, Teilhard, and the world's future

We must get back to the God forward of Evolution in a System that is aligned to those spiritual truths and principles. Sexual sin lay to hand as the principal moralistic lever.
