## Fashion Trends That Completely Took Over The Past Decade

In fact, the whole of fashion reflected the more informal lifestyle. Most outfits could be given an extra touch of style by a relatively cheap gilt metal belt in the form of disks or chain links. Experiments with tele- shopping began, and people pondered the dramatic changes of lifestyle that these advances might bring.

## Infobase Publishing

Chain, drug-, and novelty stores now feature lipsticks in autographed cases bearing color names for such Presley hit tunes as Hound Dog Orange, Loving You Fuchsia, and Heartbreak Pink. Secondhand Chic For some people, looking back to the past was a dedicated quest for the quality, style, and cut that they felt contemporary clothes could not provide. Photo: Getty Images With six and a half years of the decade behind us, we feel safe in our predictions as to which trends will endure most over time.

## 2010s Fashion: The Grand Narrative of a Decade

Those that sold internationally found that preferences in menswear varied from one branch to another. In the nineties, fashions would change at a frantic pace.

## Fashion by the Decades

One major influence on the seventies came from the fifties. Chips, satellites, and other technologies like digital encoding and fiber optics transformed telecommunications, with computer, telephone, and television networks spreading all over the world.
