Porsche 944 vs Porsche 968

But condition of cars being equal, there's little reason to consider any 944 earlier than the 1985.

Porsche 968 (1995 and older) Sports user reviews : 4.7 out of 5

The 924 body style was introduced in the late-70s and not everybody loved it. My car now has slightly over 80k miles on it, and it still feels tight and runs flawlessly. The rear of the 968 was also redesigned, featuring fully coloured rounded taillamps special bulbs were used in the taillamps which either illuminated a small area in amber colour when the turn signals were activated or in white when the car was reversing.
