What happened in the “Dark Ages,” and why do people call them dark?

The most obvious change that the Middle Age brought upon European society specifically England is that it introduced a new social system called Feudalism as well as the French language to England.

Christianity

You all know the story, frequently recounted to the present day.

About the Dark Ages

Mandi Rogier Last Modified Date: February 08, 2021 The Dark Ages is a time period generally thought to have begun in 476 AD when Romulus Augustulus, the last Western emperor, was deposed and the Western Roman Empire fell.

Great human advances were made throughout the ‘Dark Ages’

Two, it is separated from the darkness. This dark period started when the last Western Roman Emperor Romulus Augustulus was defeated and deposed in 476 AD by a barbarian Odoacer. Great buildings, notably the palace complex at , also began to emerge, partly based on Byzantine models, such as the churches at Ravenna.

The Dark Ages (TV Movie 2007)

Muslims were invading the South, Hungarians ruined the East provinces, they burned down churches, left and took captives with them Document 1.

Migration period

The rise of and other specialties in the twentieth century has shed much light on the period and offered a more nuanced understanding of its positive developments. More food was available, labor wages increased, and people moved away from their obsession with religion. During the 11th

century, however, feudal life began to change.
