Programs of Study

Delaware Technical Community College offers a wide variety of credit programs of study -- including a bachelor's degree, associate degrees, certificates and diplomas -- designed to prepare you for success in the world of work or to transfer credits to a four-year university. We encourage you to schedule an appointment with your academic counselor or faculty advisor who can help you choose and plan a program of study.

Programs of Study

Learn more about at the College.

Programs of Study

. We also offer developmental and general education programs that provide you with the foundational skills necessary to be successful in your college-level, program major and workforce training courses.

Programs of Study

You may choose to view the list alphabetically rather than by program area. Box 897, 100 Campus Drive, Dover, Delaware 19904. Browse these academic offerings in each of the areas of study below, or filter by campus and degree type.

Programs of Study

Students gain additional practicum experience and leadership skills. Reports may also be mailed in writing to Delaware Technical Community College, P.

Programs of Study

The AAS degree can also serve as a transfer degree to a senior institution.
