**GigaDict :data : Japanese**

Ishi- 119 Rotem Kowner hara Shintarō, for example, an outspoken critic of Japan's timid interna- tional conduct and the future governor of Tokyo, censured Japanese communication with foreigners and reiterated Kawasaki's views. It sub-divided into two main departments administration and marketing which split into various divisions. Dies wird im Beitrag auch an anderen Stellen und mit dem Hinweis auf die Anforderungen der Berufspraxis deutlich.

**Read references.pdf**

We have seen that the general public or the political circle did not regard the use of public funds for the financial sector as appropriate, at least by mid-1990s. This included obvious censorship such as banning books, but on a deeper level it meant negating definitions that challenged how Japan constituted its sovereignty both within Japan and abroad.

**Full text of Bd.**

For politicians, the principal advantage is being able to bestow patronage on their supporters; for private industries and producers the benefits principally come in the form of protection from free market competition and thus the maintenance of profits and income.

**China Watching: Perspectives from Europe, Japan and the United States (Routledge Contemporary China)**

They are omnipresent in fields such as public health, environmental protection, disaster prevention and so on.

**Loosening the Ties that Bind: Japan's Agricultural Policy Triangle and Reform of Cooperatives (JA), The Journal of Japanese Studies**

The first is the lasting shortage of domestic demand and the growing dependence on foreign demand, coupled with the increased external vulnerability.
