Tape Recording Clubs

For a video, focus first on the photo or question used as a prompt.

How to Record Using Windows Sound Recorder: 10 Steps

Again I am reminded of the scope of personalities and cultures that I will meet during the course of the programme, so many different people with so many different talents coming together to share all of who they are to people they meet. For instance, you could check Ives, The Tape-recorded Interview, Neuenschwander, Oral History and the Law, or Sitton et al. Can I do it in four to six minutes? Select a different musical style each day: Monday-music from Africa, Tuesday-classical music, Wednesday-Flamenco, Thursday-country music, Friday-pop music.

Repeated Reading: Fluency & Comprehension Strategy

Ratu Epeli said the transition was fairly easy and everyone in the world has had their share of young people being involved in high risk activities during this period.

Strategies for Learning and Teaching

Nashville: American Association for State and Local History, 1987.

Example of Minutes of an Organization's Meeting

If you have a laptop, there is a chance it comes with a microphone embedded onto the computer. Why questions tend to imply a rational answer.

25 Ideas for Building Fun into Your Work Setting

Children will perceive different sounds. Tape Assistance A tape recorder is an excellent tool for helping your students practice fluency through re-reading. These will allow me to showcase some of my archival research on Mitchell, and, more importantly, hopefully this post will hopefully serve to underline how unconventional his early work was, especially for the 1950s, and how it does not fit into any easy categories.

Strategies for Learning and Teaching

Each person comes to a new job with unique skills and abilities. There are many versions of releases possible.

Strategies for Working with People who have Disabilities

The missing piece was a device to play back the recorded sounds. As a methodological balance to oral history, one can enlist other sources of data such as related artifacts, written documentation, and other interviews. The Voice of the Past: Oral History.
