## Not the Time for the United States To Rejoin UNESCO

Human Rights Council, citing an anti-Israel tilt within the agency. UNESCO can aid the discussion, but it far exceeds its authority when it aspires to construct universal principles on bioethics. By Giovanni Ortolani The U.

## Spotlight: What's behind abrupt U.S. withdrawal from UNESCO?

The withdrawal has been proved to be well calculated as it was announced right ahead of the election result of the UNESCO chief, according to observers.

## U.S. Says It Will Withdraw From UNESCO, Citing 'Anti

During the last session of Congress, some Members began to express support for rejoining the troubled agency. However, as developing countries joined and its membership grew to 153 by 1980, UNESCO increasingly supported an anti-Western political agenda, espoused leftist propaganda, and refused to reform rampant mismanagement practices. UNESCO was created to symbolize international unity and cooperation.

## History of America and UNESCO

This decision was not taken lightly, and reflects U. In protest to the admittance of Palestine as member of the organization, in 2011 the U. Man and the Biosphere MAB is one of UNESCO's best-known programs, with its World Network of Biosphere Reserves WNBR.

## The United States Withdraws From UNESCO

Today WNBR encompasses 669 sites in 120 countries, including 16 transboundary biosphere reserves, covering over 680 million hectares 2. Agency for International Development and the U.

## **U.S. Says It Will Withdraw From UNESCO, Citing 'Anti**

This is not the first time the U.

## **UNESCO**

MAB reserves remain under sovereign jurisdiction of the states where they're located, but enjoy international recognition. Canada, Japan, the Netherlands, Switzerland, and West Germany threatened withdrawal but eventually decided against it. This program in fact does not only aim to understand how the mining activities and particularly abandoned mines negatively affect the , animals, plants and fungi, surface and groundwater, and the health of neighboring communities.
