## Dominance between the years 1951

A society where the poorest would feel as though they are now the new middle classes, with new affordable housing, televisions and motor-cars. For the public they left their trust with the labour.

## Hull and East Riding c.1955

It can be seen that dwellings on this scale in Hull and the surrounding villages, would be a far superior then the inner-city, Victorian dwellings in the city.

## Making UK The Age of Affluence 1955 to 1976

There were however examples of the underlying problems which include how Britain was performing compared to other European competitors, how the government failed to control public spending. In response to this, producers begin pro. The jubilation among the British people was beginning to spread, with victory flags and banners in most residential streets and city centres.

## Age Affluence by Bogdanor

You could argue that new housing is this stature would represent the beginnings of the age of affluence in the region. Since then it has led to a huge gap between the rich and the poor. .

## Hull and East Riding c.1955

Designed for A Level AQA specification Making of Modern Britain. Additionally, Wilson ending this period of dominance in the October 1964 general election after bringing both factions of his party together suggests that the infighting was a major factor behind allowing the Conservatives to dominate. Harold Macmillan symbolised prosperity and wealth, you could argue Macmillan would give aspiration to the working classes.
