So Many Options, So Much Fun Your new playground equipment can provide kids with hours of creative outdoor play and high-flying fun.

Themed Playground Equipment for Your New Project

Errors will be corrected where discovered, and Lowe's reserves the right to revoke any stated offer and to correct any errors, inaccuracies or omissions including after an order has been submitted. Or, select a low maintenance weather-resistant metal swing set with numerous options to keep kids active and entertained.

Themed Playground Equipment for Your New Project

Cut one 2x4 into three pieces and lay these out in a row horizontally. The proper depth after the material settles is 6 to 12 inches, depending on the type of material and the potential fall height.

Home

Make time for the setup.
