## Research

Bilateral Economic Relations The U.

## Access to the LTWA

For these reasons, the careful development of the producing sector has been a key concern of both government and industry throughout most of the twentieth century.

## EGLE

On January 11, 2016, both countries celebrated the 50 thanniversary of the U. The idea is that, whereas these institutions worked as the foundation of the postwar growth of the Japanese economy, they were not appropriate to a new pattern of economic growth based on original innovations. Normal diplomatic relations were reestablished in 1952, when the Supreme Commander for the Allied Powers, which had overseen the postwar Allied occupation of Japan since 1945, disbanded.
