There were doubts about these works; perhaps, it was said, they were not really written by Apostles, or Apostolic men, or by the men whose names they carried; in some parts of the Christian world they were suspected, though in others unhesitatingly received as genuine. As for the burning of Tyndale's version, there is nothing to be wondered at in it; it was probably the only, or at least the most striking and effective way of stemming its sale and instilling a horror of it into the hearts of the people.
