Originally connected with the idea of a mound or bank of earth—hence with that of a monte, an Italian word describing a heap—the term has been gradually applied to several classes of institutions established for the general purpose of dealing with money. Still there was nothing austere or narrow-minded in his religion; there was no affectation of rigor in his life or manners; no unreflecting adoption of traditionary opinions in matters of belief. Ere yet that last strain dying awed the air, With stedfast eye I viewed thee in the choir Of ever-enduring men.

Cartagena was the best deep-water haven, and enjoyed a natural shelter from the wind, the great scourge in those days of ships at anchor. There, while through half an afternoon we played On the smooth platform, whether skill prevailed Or happy blunder triumphed, bursts of glee Made all the mountains ring. At Our Lady of Europa Convent School Sister Lorcan the Portress opened the door to a little six-year-old red-head, Mary Ransome , and her parents.
