### Congress and Foreign Affairs

Several influential Senators and joined him in pressing for comprehensive reorganization of the committee system, better legislative scrutiny of the Executive branch, improved control over the federal budget, and more systematic use of committee hearings. They put prodigious pressure on members of the Armed Services and Appropriations Committees, mostly in private, off-the-record interactions. How that can be accomplished is beyond the scope of this article, but it may be necessary if Planet Earth is to remain a sustainable habitat for humankind.
