Pronunciations for World Englishes

Following a two-month recuperation, Laf  yette was given command over his own division for the first time. So abwegig finde ich die Frage nun nicht.   berdies ist die Aussprache der meisten dieser dieser Namen durch zahlreiche Film- und Tonaufnahmen gut dokumentiert.

Friedrich Wilhelm von Steuben

Or Richard Wagner died 1883? Ab der Zeit des Ersten Weltkrieges herrschten dort v  lkische und antisemitische Tendenzen. .

Language 1660

When his father entered the service of Empress , young Friedrich went with him to and then to , staying until the under General. The Puritans settled in New England and other settlers in Virginia. Failing to find funds, they returned to in 1775, deeply in debt.

Language 1660

Their sons particularly, but their wives and daughters too, must speak and write genteelly and not betray themselves by vulgarisms of grammar.

apple

Here, while present-day English has the same vowel sound in take and day, the sound commonly spelt ee has replaced the earlier sound represented by ea. Although still a teenager who spoke little English and lacked any battle experience, Laf  yette convinced the Continental Army to commission him a major general on July 31, 1777.

Nares, Robert 1753

In conclusion, it is well to remember that the language of any age was always heard more upon the lips than it was set upon paper. That changed in 2002 when Lafayette became the sixth foreign national to be given honorary American citizenship by Congress.

Pronunciations for World Englishes

All the novelists indeed, excepted, in their different ways kept to the middle kind of English, avoiding affectation. But if, with Welsted, satisfaction could be felt about the language itself, there was a growing realization that the use of the English language left much to be desired.
