The Disappearing Defined Benefit Pension and Its Potential Impact on the Retirement Incomes of Baby Boomers

Miami-Dade Community College Paul S. The decision, however, was reversed by a 1,999 to 1,338 vote when member lawyers were polled on the issue in 1955. Counting employer-sponsored health insurance premiums as wages for Social Security purposes would increase Social Security taxes for most individuals and those taxes would increase more than Social Security benefits for individuals at all earning levels.

Social Security Bulletin Archives

There was also some speculation that the conference was related to a possible Williams presidential candidacy in 1960, a subject that was, indeed, under intense consideration by the governor and his staff.

The Florida Historical Quarterly

It applied to employers of eight or more workers, employment agencies, and labor organizations, defined what constituted illegal unfair employment practices, and provided for a commission of five appointed by the governor without a requirement for bipartisan membership. This has important implications for the demand for long-term care because this group of elderly is at higher risk of needing nursing home care NCHS, 1981 and is five times more likely to use formal long-term care services NCHS, unpublished. Urinary incontinence is another major problem for many elderly people which may result in the need for long-term care.
