Business Planning for Editorial Freelancers: A Guide for New Starters by Louise Harnby

Chapters focus on the different aspects of editorial freelancing, training, client focus, getting experience, financial assessment, promotion, networking, tools for the job and real-world case studies. I will re-write, edit, format word docx files professionally and according to employer requirements. I started out on Upwork before I even joined the SfEP and have been using it on and off for five years.

How to Become a Freelancer: A Practical Guide

Get work done with security, flexibility, and cost-efficiency. . We have experience of more than 5 years.

How to Become a Freelancer: A Practical Guide

A blog can really be anything these days, so this is a great way to start making money freelance writing if you can write regular and longform articles. See more Video Editing A video editor with years of experience dating back to those lovely 8 mm films. To know more details about how to get you first client.

Editorial Beat

And you get paid exceptionally well. This little book is saturated with information on how to go about building your freelance business. So, pick one industry and stick with it for some time.
