Political and economic power is held in the core, while the periphery suffers from lower incomes and brain drain. The better we understand the world and human dynamics, the better we will be prepared to address the changes that are occurring. POMPEO DELLA POSTA is Associate Professor of Economic Policy at the University of Pisa, Italy.

## Globalization, development, and integration : a European perspective / edited by Pompeo Della Posta,...

Agriculture is the method of growing crops or trees or raising livestock that provides food and some raw materials. Kroeger Globalization Today: Incomplete, Distorted and Unfair; M.
