Restorative Justice and Violence Against Women in the United States: An Effort to Decrease the Victim

Restorative Justice and Violence Against Women considers both the dangers and potential benefits of using restorative justice in response to these crimes. Nevertheless, restorative practices are beginning to be used to address violent crime. .

Restorative Justice and Violence Against Women : James Ptacek : 9780195335484

Walker, Loren and Cheri Tarutani. Different kinds of approaches are necessary to protect victims, stop ongoing violence, and prevent both repetition and initiation of violent acts to control, frighten and dominate women. This project showed positive results for victims and also produced a guide for practitioners, available from the.

Restorative Justice and Violence Against Women

Some are strongly in favor of using restorative practices in these cases, some are strongly opposed, and many lie somewhere in between. This International Reception is part of the Restorative Justice and Domestic Violence Conference 1st- 3rd June 2015 and will bring together over 60 international stakeholders and experts in discussing recent project findings, debate issues of safeguarding participants and share good practice. And I shall finish the talk reflecting on what this might mean for the restorative justice movement in this part of the world.
