**She was trapped at sea alone with her assailant. He told her, ‘You’re mine for the week.’**

Cruise company officials told the CDC that they were largely refusing to sign the agreement with the agency because , according to Dr. But Australia, too, has announced restrictions on arriving cruise ships.

### Movie Adrift's Harrowing Real

General Assembly urging countries to designate seafarers as key — or essential — workers, a designation that would allow them to get off ships and would help repatriation of stranded seafarers. MARCH 30: In a shipboard announcement, the captain advised crew members that anyone who contacted a journalist or posted on social media about their concerns could be fired.

### NY Daily News

That same day, executives at sister company to disembark the cruise director of its Liberty of the Seas ship in Galveston, Texas, and provided a private car to take him home to Memphis, Tennessee, 615 miles away. Even after four months at sea, Alvarenga was not even halfway through his ordeal.

### 300,000 Seafarers Trapped at Sea: Mounting crew change crisis demands faster action from governments

Describing the mounting desperation of seafarers who have been afloat for a year or more, Captain Hedi Marzougui pleaded their case Thursday at a meeting with shipping executives and government officials on the sidelines of this week's U. When it became clear in early April that cruises would not be starting again, he asked to go home.

### GDPR Support

But Kerby noted the exclusions were taking place even for ships with no known cases of illness on board. However, on a good note, the ship desanitizes.

### 300,000 Seafarers Trapped at Sea: Mounting crew change crisis demands faster action from governments

During the prolonged isolation, the virus continued to spread through the ships.

### **Revealed: 100,000 crew never made it off cruise ships amid coronavirus crisis**

They are only paid when they are onboard and working.

### **Trapped at Sea**

The first two ships currently are anchored near Valparaiso, Chile, which has denied them entry. His ship normally rotates in and out of Singapore, but the city-state shut down crew changes in the opening days of the pandemic. Chair of the ITF Seafarers Section, Dave Heindel, said the ITF and its social partners have been doing everything possible to raise the alarm and push for the practical changes that would enable crew changes.
