Multiracial Congregations May Not Bridge Racial Divide

Ed Stetzer is executive director of Lifeway Research.

Multiracial Congregations May Not Bridge Racial Divide

So a multicultural church will not simply have people who are by their background from Latin America, for instance, but who will intentionally engage Latino culture s and context s. You can activate a paid subscription to a number of online programs to search their databases or you can attempt to locate the most current listing of church grants in your local library. After WWII, the church expanded its numbers and buildings to accommodate this expansion.

Racial segregation of churches in the United States

Both , the President of the Catholic League, and , a prelate of the Catholic Church, have publicly condemned the movement. You could spend all day long parsing the percentages of people who were or were not offended. These churches then lacked the resources to recover and have a vibrant ministry.

A House of Prayer for All Peoples: Congregations Building Multiracial Community

It needs to uphold a value of examining and discussing racial structure in the United States, with an understanding of how it operates locally as well. And some efforts by churches to promote reconciliation have run into obstacles.
