Russians Return to Religion, But Not to Church

But for most Russians, the return to religion did not correspond with a return to church.

Religion in Russia

Its round domes became an example for future architecture endeavors of Orthodox temples. Surveys were conducted in the Russian language.

Religion in Russia

However, in the Byzantine Empire this union was supported only by Patriarch and Emperor. There are a few centers in the Tuva Republic where you can get closer to the basis of this religion.

Russians Return to Religion, But Not to Church

Russia Religion, Economy and Politics There is no official census data on religion, but a 2012 survey indicated that 41% of Russians were Russian Orthodox Christians, 13% were non-religious, 6.

Religion in Russia.

And affiliation with Orthodox Christianity has grown substantially among Russians at all education levels, especially among Russian university graduates. How did Christianity influence the Russian empire? During the same period, there also was a modest increase in the share of the Russian public identifying with religions other than Orthodox Christianity, including Islam, Protestant Christianity and Roman Catholicism. Like most countries, Russia undertakes a census every decade or so.

Russians Return to Religion, But Not to Church

Only around 5% actually attend church regularly and follow the church calendar. In total, Russian is the official language of the country and spoken by almost everyone.

Religion in Russia

The truth is, seven decades of religious suppression during Soviet rule has significantly reduced the number of devout worshipers in both Muslim and Christian communities.
