Therefore, much care is given to the appropriateness of the gift as well as to its aesthetic beauty.

Reading: Ethics and Corruption

And almost everyone knows that these people, despite their meager pay, gain something much more valuable: power. The Japanese may give gifts out of a sense of obligation and duty as well as to convey feelings such as gratitude and regret.

Indeed, despite its inherent ambivalence, a gift should be understood as a worthy ethical and social practice within a specific cultural or organizational context.

International Fraud Bribery and Corruption

Why does corporate philanthropy not necessarily imply some form of altruism? Traffic police stops you for speeding? In June 2007, Mahmoud Abbas dismissed the government led by Ismail Haniye, and appointed Salam Fayyad as a prime minister. There are gifts for the higher-ups as well, given once every quarter or once every year. In a world in which political turnovers are common, the term covers only a small number of cases: conscious attempts to establish a new moral and material world and to impose, or evoke, radically new patterns of day-to-day conduct.
