## The difference between Temple and Shrine (Tera vs. Jinja)

For example, great Buddhist Complexes like Zōjō-ji or Shin-Tennō-ji host shrines in their grounds. There are some story's about the creation of the islands of Japan and the Kami or gods that they believe in. SEO Tip: Hosting location can influence search engine rankings.

## jinja

Uno de sus rasgos más característicos son las típicas puertas torii. La mayoría de los santuarios y templos están abiertos a las visitas y al culto a lo largo del día.

## Jinja

If this does not work, you may not have given a correct address. If the site's on this list, remove it. En el budismo, a veces escuchareis cánticos, sobre todo en las zonas interiores.
