**The Modigliani Scandal eBook: Follett, Ken: localize-ing.justmote.me.au: Kindle Store**

Dee is so excited about the prospect of finding a lost masterpiece that she needs to tell someone.

**Collecting The Modigliani Scandal by Follett, Ken**

Unlike most of his, later far more successful works published under his own name, *The Modigliani Scandal* is a relatively short novel just over 200. In his long and illustrious career, which, God willing, is hardly over, Ken Follett has written an incredible number of highly successful novels and he has long been among my favorite authors. Not as suspenseful as other Follett books, but still interesting. Those elongated, haunting figures, as eternally provocative as the Mona Lisa.

**Collecting The Modigliani Scandal by Follett, Ken**

He doesn't make money off of the forgery swindle since the purpose was to make a point, not to get rich on the ransom. It's a wild goose chase from London to the provincial outskirts of Italy where each will be upon the other's throat in search of a lost painting by an early 20th century painter named Modigliani whose brief experiment with drugs while composing his paintings became popular after his death.

**The Modigliani Scandal**

It's short for a Follett book, only 279 pages and personally I'd have liked a little more of Modigliani in the story. . There are no rips, tears, markings, etc.

**Collecting The Modigliani Scandal by Follett, Ken**

The book seems to lack a protagonist, antagonist, and central plot. Follett lives in Hertfordshire, England, with his wife Barbara. Book Descriptions: We have made it easy for you to find a PDF Ebooks without any digging.

**The Modigliani Scandal: A Novel by Ken Follett, Paperback**

The man for whom art is a commodity to be traded, sold, or stolen as if it were corn, wheat, or barley.

## **MODIGLIANI SCANDAL KEN FOLLETT**

To the person that said it could have been done in 100 pages, you're stupid, it was too short to start with, especially because you complained about the character development, which would have made the book much longer. The plot concerns Dee Sleign, an art historian on the hunt for her next thesis subject; Charles Lampeth, a genteel cunning gallery owner who hires private detective Dunsford Lipsey; and Julian Black, a desperate man mired in debt setting up his own art establishment. Excerpted by permission of Penguin Publishing Group.

### **The Modigliani Scandal book by Ken Follett**

After writing more successful thrillers he surprised everyone with *The Pillars of the Earth*, about the building of a cathedral in the Middle Ages, which continues to captivate millions of readers all over the world. She is having the Paris experience. But do you know what? The pacing is too rushed and the characters too undeveloped to be engaging and empathetic respectively.
