## George Washington criticizes “taxation without representation”

Sticks are pounded on boards lying on the ground in front of the players. Some exercises, such as the Art of Surveying and Measuring Land, provided instruction for practice surveys and included samples taken directly from William Leybourn's The Compleat Surveyor of 1657.

## George Washington Carver cared about sustainable farming before it was cool

Their first outside-of-Philadelphia project, Fancy Radish, opened in D.

## George Washington's Life · George Washington's Mount Vernon

Washington served two terms as President. Like Cincinnatus, the hero of Classical antiquity whose conduct he most admired, Washington had the wisdom to give up power when he could have been crowned a king.

## History: Daily Life on the Frontier

Aerial view of the Coon Chicken Inn on Old Bothell Highway, now Lake City Way. Each year, for example, prairies were burned to renew the bulbs that grew there and to keep the forest at bay. They played fiddles and accordions for music.
