The Ninth Imam, Muhammad ibn 'Ali al Taqi al Jawad (as)

Historians have recorded that apart from dignitaries and nobles, 900 seats were reserved for scholars only. The audience included learned scholars who admitted that they had never heard such an eloquent and comprehensive speech. If he killed a young bird outside the sacred ground, then the atonement of a lamb which had been weaned off milk would have been required of him.

Nawaqid Al Islaam (The Nullifiers)

The hawks of kings sometimes catch fish from there and bring it to the Kings. Mamun convened many conferences during this period in which many intellectuals and scholars assembled in order to listen and learn from the Young Imam. Ibn Babawayh also cites his own works.

The Ninth Imam, Muhammad ibn 'Ali al Taqi al Jawad (as)

Sedangkan syarat keenam diperselisihkan, menurut pendapat yang arjah tidak termasuk dalam syarat-syarat tersebut. Ibn Babawayh was educated by his father.

Nawaqid Al Islaam (The Nullifiers)

If he had killed it in the sanctuary, then he would have been required to sacrifice a lamb and the value of the young bird. If it was an ostrich, the sacrifice of a camel would be necessary. He then joined al-Azhar Mosque in Cairo where he studied Islamic jurisprudence, Arabic, and history.

Imam al

Suleiman al-Taji al-Faruqi was born in Ramla. Why should I have run away or be afraid? Although she lived with him, he married another lady who was a descendant of Ammare Yasir. Mamun fully assessed his condition and thought it was useless to put any further pressure on him.

Nawaqid Al Islaam (The Nullifiers)

The learned scholars of the Islamic world could not compete with him. Pendapat ini juga yang dipakai oleh Imam Bukhari, Muslim dan Ibnu Hazm.

In front of him was accommodated the Chief Justice Yahya ibn Aktham.
