## Muhammad Ibn 'Umar al

Hashmi al-Waqidi, Kitāb al-Maghāzī, published by Marsden Jones p. Wametofautiana kuhusu mahali iliposhuka, imesemwa kuwa ni Makkah wengine wakasema ni Madina bali kuna kundi jengine linasema kuwa imeshuka mara mbili Makkah na Madina. Neno Din lina maana nyingi; miongoni mwayo ni malipo.

## Al Muntakhab Fi Tafsir Al Qur'an

Lakini tamko la Aya ni la jumla, wala sio mahsusi au kuvua wengine kubagua. This brings us to a very important question, what are criteria on the basis of which a report may be accepted or rejected? Kwa sababu msomaji anakusudia kuleta sifa njema za Mwenyezi Mungu, wala sio kutoa habari za kuthibitisha sifa Zake njema. Mara ikagusa ncha ya pua ya mwenzake.

## A'lām al

Some of our people have told me that he was reliable. Hakuna heri isipokuwa heri ya mtu mwenyewe wala hakuna shari isipokuwa shari yake mwenyewe.

## Al Muntakhab Fi Tafsir Al Qur'an

Maana ya sifa njema zote ni za Mwenyezi Mungu, ni kumsifu kwa kukusudia kumwadhimisha katika hali zote, hata katika madhara.
