The Commonwealth must thereafter adduce sufficient evidence at trial to prove them beyond a reasonable doubt, and proof by written order is not required. The Regulations as amended prescribe further situations where you must re-apply CDD for existing clients.

## Supreme Court of Virginia Opinions and Published Orders

Practice units are not required to follow this guidance, however legal sector supervisors will take into account whether a legal professional has complied with this guidance when undertaking its role as regulator of professional conduct, and as a supervisory authority for the purposes of the Regulations. In addition, within a single matter, privilege may attach to some but not all communications and advice.

## Beneficiary rights

Consider the manner and timing of your communications, for example whether the information will be provided in the standard client care letter. Staff who are responsible for conducting searches using an electronic verification system must be adequately trained to ensure the validity and accuracy of client data input, and that all necessary data is submitted in the right fields. A practice should document any occasion where CDD was delayed in the matter risk assessment and take appropriate mitigatory steps in order to manage any risks this may create.

## Beneficiary rights

We have an independent trustee who is a lawyer, a shareholder of the company and also one of the executors of the will as am I. Checking for

PEP status should be undertaken on a risk-based approach, in light of other CDD information held such as employment which may lead to the practice suspecting PEP status.

Here, the demarcation of a road as an easement on the plat incorporated into the declaration was sufficient to fulfill the designation requirement for a common area, and the terms of the declaration expressly impose upon the architectural control committee a duty to maintain the road and authorize it to impose assessments for the costs of such maintenance. You may also get confirmation of UK charitable status from HMRC. For further information on source of wealth requirements please see the enhanced due diligence section below.

#### **Beneficiary rights**

The argument that to secure a conviction under this statute the prosecution must prove that the shooter was positioned outside of the occupied vehicle is rejected. For the reasons explained by the Court of Appeals in its published opinion, 65 Va.
