## Class consciousness

Karl Marx was right: The choice before the human race is socialism or barbarism.

## Ideology: A marxist perspective

Moreover, these abstractions can also guard against the ever-present pressure to accommodate to ideological viewpoints which disarm rather than arm us to take on the system as a whole. Again, if one reasons that since idea or thought has relative independence, so it is an independent entity separate from environment, then that too is a wrong way of thinking.

## Marxism

The broader these masses, the closer is the trade union to accomplishing its task. The end of slave-system and advent of feudalism could not draw a curtain over the exploitation.

## Rodney

This is why time and space are called conditions of existence of matter.

## Class consciousness

The economic struggle cannot be minimized.

## Theories of Ideology in Sociology

It is not like that. Their belief in god helped to protect monarchy. The intransigent attitude of the capitalists is not solely responsible for this.
