### Economic Update: Sixteen Charts with the Latest Data on COVID

Retailers, fitness facilities and salons popped up to cater exclusively to the oil field workers; now, their customers have packed up and left.

### In Permian Basin Oil Towns, Locals Are Realists About Boom And Bust Cycles

We also learned that a one-dimensional economy was a very bad thing. School officials say they have no way of knowing how many students will be enrolled next year. Sectors such as health care and petrochemicals are still growing.

### This Is What It Looks Like When a Texas Oil Boom Busts

But analysts across the political spectrum caution that the energy windfall presents profound challenges as well.

### The Dark Bounty of Texas Oil

The underlying economic and population growth did not support the level of construction, and a major bubble developed. And this is precisely what happened during the 1920s boom.

### Economic Update: Sixteen Charts with the Latest Data on COVID

Follow her on and , or reach out to her by email at . Because native Texans were suspicious of outside corporate interests—especially John D. The nature of Texas' population growth also provides a buffer against economic downturns.

### Texas' economic growth proves this is not the 1980s

The resulting explosion in oil production has remade swaths of the U.
