Catalog — Blackwell Public Library

The composition was by linotype and the metal was preserved in the form of type so that lists and catalogues of various kinds might be printed from time to time without incurring the cost of re- setting the matter. Erected in 1912-1913, the Seattle firm of Blackwell and Eustace designed the first seven-story wing in what would become a sprawling reinforced concrete warehouse. Evolution of general ideas ; authorized translation from the French, by F.
