If you reside in an EU member state besides UK, import VAT on this purchase is not recoverable. Scholars numbered perhaps a few dozen at foundation, and there were still fewer than one hundred until the 20th century. Since 2006—2007, timetables for this study have been co-ordinated between both schools.

The King's School, Grantham

These two buildings, which remain essentially unchanged, were supplemented with a Dining room in 1855 and a Long Dorm in 1893 before additions throughout the twentieth and twenty-first centuries expanded the School to its present capacity. As was customary in his time, he carved his signature on the wall of what is now the school library, although the signature has never been confirmed as authentic; visitors from around the world come to view this indication of Newton's education.

The King's School, Grantham

A replica of the signature is on display in Grantham Museum. School links King's and another Grantham grammar school, , have shared teaching resources for study in certain subjects.

The King's School has an unbroken history on the same site since its re-endowment in 1528 by , although its history can be traced back to 1329. If you visit the Old School, you will find yourself in a building where Grantham boys have been educated continuously for over 500 years. Indeed, before the expansion of the twentieth century, the School would rarely have had more than sixty scholars at a time.
